Other:

☐ **This child has received instruction in the proper use of the Auto-injector: EpiPen® or Twinject® (circle one). It is my professional opinion that this student SHOULD be allowed to carry and use the auto-injector independently. The child knows when to request antihistamine and has been advised to inform a responsible adult if the auto-injector is self-administered.**

☐ **It is my professional opinion (HCP) that this student SHOULD NOT carry an auto-injector.**

☐ **This child has special needs and the following instructions apply**:_____
